LANE AND ROAD CLOSURE NOTIFICATION – WEEK OF FEBRUARY 27
INTERSTATE 10 WIDENING PROJECT WILL REQUIRE INTERMITTENT CLOSURES
ON LOCAL STREETS IN REDLANDS

During the week of February 27, the Interstate 10 widening project will require the following lane and road closures on local streets:

- **6th Street – Full closure, February 27 – March 3**
Bridge work will require a full closure of 6th Street to prepare for the widening of the bridge. Motorists will be detoured to Orange Street via Colton Avenue and Redlands Blvd.
- **Church Street – Shoulder Closure, February 27 – March 3**
Work crews will demolish the interior bridge walls on Church Street, requiring a shoulder closure. Pedestrian traffic will be moved to the opposite side of construction. Please follow all posted signs and cross the street only at designated intersections. No lane closures will be required for motorists.
- **University Street – Lane closure, February 27 – March 3**
Forms will be placed along the bridge, requiring the continued lane closure. Work will be allowed only during off-peak hours from 9 a.m. to 2 p.m. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated areas.
- **Citrus Avenue – Lane closure, February 27 – March 3**
Bridge demolition work will continue, requiring a lane closure on Citrus Avenue. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian traffic will be moved to the opposite side of construction. Please follow all posted signs and cross the street only at designated areas.
- **Palm Street – Lane closure, February 27 – March 3**
Bridge demolition work will require a lane closure on Palm Street to prepare for the widening of the bridge. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated areas.
- **Highland Avenue – Full closure, February 27 – March 3**
Bridge work will require a full closure of Highland Avenue to prepare for the widening of the bridge.. Motorists will be detoured to Palm Street via Lytle and Grove Street.
- **Ford Street – Lane closure, March 2–3**
Bridge demolition work will require a lane closure on Ford Street. Work will be allowed only during off-peak hours from 9 a.m. to 2 p.m. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated areas.

Please follow posted signs and drive carefully through the construction area. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the San Bernardino Associated Governments website at www.sanbag.ca.gov.

SANBAG appreciates your patience during this freeway widening project.
